## **Sport at Kings Caple Primary Academy**

13/4/16

Dear Parent / Guardian

I'd like to take this opportunity to tell you about the fantastic term of sport we enjoyed at Kings Caple Primary Academy last term.

Class 3 have continued perform to the best of their ability and also develop their coaching and analytical skills assessing their own and other people's performance and providing each other with constructive feedback. Class 2 and 3 have been fortunate enough to enjoy football coaching from Paul Hughes FA skills coach. This was great fun and I really enjoyed watching the children's skills develop. I was particularly impressed with the year 2 & 3 girls who despite initial reservations about football really got stuck in and gave it their all.

We have also enjoyed plenty of gymnastics including a festival at Lord Scudamore. I was really impressed with the children's skills and their ability to evaluate each other's performances. I was particularly pleased with Alex who excelled within gymnastics and David who gave brilliant feedback to his friends.

The year 5 & 6 children are constantly encouraged to analyse performances and provide constructive feedback to their peers. This has helped all of the children to improve their skills, tactics and motivation. They have continued to focus on developing their leadership skills and have successfully organised and run inter-house football, netball and hockey competitions. This term the inter-house competition will reach its conclusion with a tennis tournament and of course this year's sports day.

The HMFA league is also well under way and I have been really pleased with the effort and sportsmanship shown by our children. Kings Caple are currently in 8<sup>th</sup> place however I am confident that they can improve on this position this term with some strong performances in the HMFA Football, Cricket and Athletics competitions.

The small school with BIG opportunities.
