

Kings Caple Primary Academy
Pupil Premium Allocation 2017 - 2018

The 'Pupil Premium' was introduced in April 2011. The Government provides additional funding for certain groups of pupils: those who are eligible for Free School Meals (FSM), children who are looked after and pupils whose parents are in the armed forces. This includes pupils who have been eligible for FSM within the past 6 years (FSM Ever 6).

"It is for schools to decide how the Pupil Premium...is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility." Source DfE website.

For the year 2017-2018, Kings Caple Primary Academy has been allocated £8220 to spend on initiatives to ensure that these children reach their full potential – academically, socially, emotionally and behaviourally.

For this academic year we are allocating the money in the following way:

Initiative	Reason for allocation	Impact
Moving Targets	This is a dance performance scheme that aims to help students with low self-esteem to develop confidence, skills and teamwork. The scheme enables our school to link with other schools in the county.	
SPaG.com online resources	This intervention scheme improves the spelling and grammar of pupils, ensuring ALL pupils to reach age related expectations.	
123 Maths	This intervention scheme supports students who are not achieving age related expectations in maths. It improves their confidence in class and their independence.	
Nessy	This intervention scheme gives support to pupils who are struggling with reading, writing and spelling in class.	
Times Table Rockstars	This online scheme supports pupils who are struggling with their times tables.	

Kings Caple Primary Academy has 42 pupils on role (Autumn 2017). In order to comply with the Data Protection Act 1998 the number of pupils in receipt of Pupil Premium is not listed here.

Previous spend of Pupil Premium funding: 2016/2017 (£10, 170)

Initiative	Reason for allocation	Impact
Moving Targets	This is a dance performance scheme that aims to help students with low self-esteem to develop confidence, skills and teamwork. The scheme enables our school to link with other schools in the county.	This scheme gave the pupils an invaluable experience of working with specialists and performing on stage. The pupils gained new physical skills and increased confidence and self esteem.
SPaG.com online resources	This intervention scheme improves the spelling and grammar of pupils, ensuring ALL pupils to reach age related expectations.	100% of children in KS2 reached the required level in Reading and Writing. 100% of pupils in Year 2 reached the required level in Reading and 71% reached the required level in Writing (above the national average).
123 Maths	This intervention scheme supports students who are not achieving age related expectations in maths. It improves their confidence in class and their independence.	100% of children in KS2 and KS1 reached the required level in maths.
Nessy	This intervention scheme gives support to pupils who are struggling with reading, writing and spelling in class.	100% of children in KS2 reached the required level in Reading and Writing. 100% of pupils in Year 2 reached the required level in Reading and 71% reached the required level in Writing (above the national average).
THRASS	This intervention scheme supports pupils who are struggling with their spelling and phonics.	100% of children in KS2 reached the required level in Reading and Writing. 100% of pupils in Year 2 reached the required level in Reading and 71% reached the required level in Writing (above the national average).
