

Friday 22nd November 2019 L.O: To write a report – class guided write

On Thursday 21st November 2019 seven members of class 3 travelled to Lord Scudamore Academy to compete in a netball tournament. The tournament was between all of the schools within our federation (HMFA). The schools competing were: Lord Scudamore (A and B), Llangrove, Sutton, Pencombe, Canon Pyon, Marden, St Weonards and us (Kings Caple).

Group game 1 vs Pencombe

We went into this game feeling a mixture of nerves and excitement. Our team ran out 10-1 winners against a Pencombe team who were playing their first competitive netball match. This win settled our nerves and filled us with confidence going into our next game.

Group game 2 vs Lord Scudamore B

Having won our first game we felt confident but knew that this team were going to be difficult to beat. Against all odds, we managed to ease to a 6-1 win. With two wins out of two, we were now feeling dominant.

Group game 3 vs Llangrove

Proud of our recent victories we had high hopes going into the final game which would decide who the group winner would be. In a close game, despite a battling display, we disappointingly lost 1-0. This meant that we finished as group runners up and qualified for the semi-finals.

Semi-final vs Lord Scudamore A

After a break for lunch, we were ready and raring to go. The whole squad were involved in a see-saw match which led us to a thrilling 6-3 victory. Unbelievably, we had qualified for the final!!

FINAL vs Sutton

We felt relaxed knowing that we would at least finish as runners up going into the final. We had nothing to lose! In a close game, we held our nerve to finish as 2-0 winners.

After a fun and exhilarating day of competing, we returned to school to deliver the incredible news; we were the champions! We felt overjoyed because a small school like ours doesn't often win big tournaments. What an achievement!
