

English

Our topic 'Tudors' will link closely with our Writing lessons, where the children will be creating a biography about Henry VIII. They will also complete reading comprehension activities to explore his life further, developing their retrieval and inference skills. This topic will link closely with our Writing lessons, where the children will be creating a biography about Henry VIII. They will also complete reading comprehension activities to explore his life further, developing their retrieval and inference skills.

Mathematics

In Maths this term, Class 2 will be learning about fractions and decimals, in line with the National Curriculum. The children will also continue to develop fluency in their times tables, which will support their learning across the maths curriculum and help build confidence in problem-solving. We will move onto perimeter and area at the end of the term.

Science

In Science this term, Class 2 will be learning about Earth and Space. The children will explore the planets in our solar system, the movement of the Earth and Moon, and how these affect day and night, developing their understanding of the world beyond our planet.

Geography and History

This spring term, Class 2 will be learning all about the Tudors. We will be exploring the key question "What was life like in Tudor England?" and finding out about daily life, homes, food and important people from this fascinating period in history.

Art and Design

In Art this term, Class 2 will be focusing on 3D sculpture. They will work on creating an interactive installation, developing their skills in shaping, joining, and arranging materials to produce a collaborative piece.

P.E

In PE this term, Class 2 will be preparing for their *Moving Targets* performance by creating and perfecting a dance routine as a whole-class project. The children will work together to develop

Computing

In Computing this term, Class 2 will be learning about data handling through a *Mars Rover* theme. The children will collect, organise and interpret data, developing their skills in using data to answer questions and solve problems.

Religious Education

This term we will be exploring the big question 'What does it mean to be a Muslim in Britain today'

PSHE

In PSHE this term, Class 2 will be learning about citizenship. The children will explore what it means to be an active member of their community, understanding rights,

Music

In Music this term, Class 2 will be exploring musical theatre. The children will learn about songs, performance and expression, developing their confidence and enjoyment of music through a range of activities.

How you can help

Regularly listen to your child read and ask the questions about what they can remember about their school day. Encourage your child to practice their times tables - they all have logins for TT Rockstars and spellings on Spelling Shed. They will also have spelling homework sent home every Friday to support their learning.

Class 2 Spring 2026
